

## **IASRE2019 15th and-16th February 2019**

1. Cancellation by the customer of the contract concluded with the IASRE GmbH requires the approval of IASRE GmbH in written form. If this won't happen, then in any case, the agreed rent under the contract and with third party services have to be paid if the customer does not take contractual services and a further rental is no longer possible. 2. To the extent the IASRE GmbH and customer agreed in writing upon a date for a cost-free cancellation of the contract, the customer may cancel the contract up to that date without incurring payment or damage compensation claims by the IASRE GmbH. The customer's right of cancellation lapses if he or she does not exercise this right towards the IASRE GmbH in writing by the agreed date. 3. If the customer cancels after the 5th week before the event, IASRE GmbH is entitled to charge the agreed upon rent.

### **5. CANCELLATION OF THE IASRE GMBH**

1. To the extent that a right of cost-free cancellation within a certain period was agreed in writing for the customer, IASRE GmbH is entitled for its part to cancel the contract during that period if there are inquiries from other customers regarding the contractually reserved places and the customer does not waive his right of rescission upon inquiry thereof by IASRE GmbH. 2. If payment of an agreed advance amount according to III 4 and/or 5 or safety deposit is not made even after a statutory deadline set by IASRE GmbH has elapsed, IASRE GmbH is entitled to withdraw from the contract. 3. Moreover, IASRE GmbH is entitled to effect extraordinary cancellation of the contract for a materially justifiable cause, e.g. if - An act of God or other circumstances not influenced by IASRE GmbH render the fulfilment of the contract impossible; - Events or spaces are booked with misleading or false information regarding major contractual facts, such as the identity of the customer or the purpose of the stay. - IASRE GmbH has good reason to assume that the event might jeopardize the smooth operation, safety or reputation of IASRE or the Göbel Hotel Rodenberg in public, without this being attributable to the management or organization of IASRE GmbH or the hall operator or a violation of item I. No. 2 exists.
